INVITED SESSIONS BEING ORGANIZED IN THE CONTEXT OF
IMCIC 2020 and its Collocated Events

"Biomedical Engineering": Professor Shigehiro Hashimoto, Japan, Kogakuin University. For more details, **press here ...**

"E-learning in the Mainstream of Education": Dr. Lorayne Robertson, Dr. William Muirhead, Canada, University of Ontario, Institute of Technology (UOIT), and Dr. Risa Blair, USA, Purdue University Global. For more details, **press here ...**

"Problems and Methods for Multidisciplinary Complex Dynamical Systems": Ricardo Tomás Ferreyra, Argentina, School of Natural, Physical and Exact Sciences of the National University of Cordoba.

"Information Systems, Information Modeling, Data Science: Knowledge Organization and Applications in Smart Cities and Smart Life": Professor Baracho, Renatam, Brazil, Universidade Federal de Minas Gerais.

"Plasma Tectonics Concepts and Applications": Bruce Leybourne, MSc, USA, Plasma Tectonics Journal and Louis A. G. Hissink, MSc., MAIG (ret), Editor in Chief of the New Concepts in Global Tectonics, USA. For more details, **press here ...**

"New frontiers of Data Privacy and Protection in a data-driven society": *Dr. Nicola* Fabiano, Italy, Studio Legale Fabiano. For more details, **press here…**

"Machine Learning on Edge for Smart Health": Dr. Sachi Mohanty and Dr. Suneeta Satpathy, India, ICFAI Foundation For higher Education Deemed to be University and Dr. Suneeta Satpathy. For more details, **press here…**

"Towards Business Sophistication and Sustainability": Dr. Natalja Lace and Dr. Elina Gaile-Sarkane, Latvia, Riga Technical University, Faculty of Engineering.

"Leadership in the 21st century - implications for education and the labour market": Poszytek, Paweł (Poland), Foundation for the Development of the Education System.

"Recommendation System (CF4RS) Introduction": Professor Loc Nguyen, PhD, MD, Vietnam, Director of the International Engineering and Technology Institute (IETI). For more details, **press here…**

Invited Sessions Being Organized in the Co-located Ibero-American Conference CICIC 2020

"Tecnologias, Comunicação e Educação": Professors Valéria Martins and Sheila Rodrigues, Brasil, Universidade Presbiteriana Mackenzie. For more details, **press here…**

"Empleo de herramientas Informáticas en aplicaciones de ingeniería de cara a un desempeño eficiente de los sistemas": **Dra. Yolanda Llosas Albuerne y Dra. Grether Lucía Real Pérez, Ecuador, Universidad Técnica de Manabí. For more details, [press here…](#)**
